### LAST WEEK OF CLASSES

Monday, May 20 - Saturday, May 25

Classes will meet on all other state and school holidays. Tuition installments are due in full on the first lesson of each month. In June, you will be asked to pre-pay August tuition in order to facilitate planning for fall classes. Classes are not paid for on a per lesson basis. If you miss a regularly scheduled class you may always request a make-up time. However, because of the review that is built into the JMA program, it is not necessary to arrange a make-up time if only one class has been missed. Any missed assignments will be emailed or otherwise communicated to you so that missed materials and concepts are kept to a minimum.
